Dear Parents , Staff & Learners!

Introduction

As we come to an end of term 3, we would like to thank all of our parents/guardians for your unwavering support. I would like to bring you to attention to the following matters:

Visiting Hours

The school welcomes all visitors, however, visitors will be entertained as from 14:30. We cannot afford to disturb learning and teaching during learning hours. Parents who have been invited to school at a specific time should adhere to that time.

Late coming

We have noticed with regret that our children are coming late. Parents are urged to send the learners to school early. Some learner transport are also delivering learners late. Parents should take action on this. All learners are expected to be in the school before 7am. Gates will be closed at 07:15 and latecomers will be returned home.

Third term closing and opening dates

Soon the term will come to an end. We will close the school on Friday 01st October 2021. Learners will be dismissed at 12:00pm. Please make ample transport arrangements for your child. On the day.

We will open into fourth and final term on Monday 11 October 2021. Every learner is expected to start attending school without excuse. Truants will be dealt with.

Grade 11 Matters

We are preparing our grade 11 learners for grade 12 next year. The Department of Education requires that every candidate have a form of identification in order to be registered for final Matric examinations. Parents/guardian are therefore urged to secure their child's identification in preparation of next year grade 12. One of the following is required as a form of acceptable identification. 1 SA Birth Certificate. 2. SA Green barcoded ID book. 3. Smart ID. 4. SA valid driving license. 5. SA Valid Passport 6. Foreign Passport with valid permit. 7. Valid Refugee Document/permit.

Learners will not be registered for Matric if they do not have any one document as listed above. If you have any challenges please make an appointment with us to discuss the issue.

School Fees

School fees is due on or before the first of each month. October fees are due on Friday 01 October. All parents are reminded to pay their school fees on time. Any learner who is owing on reopening will be refused entry on the opening day. Please make a direct deposit to our school banking account as stated below. Inform us by sending your proof of payment.

School Uniform

We have learnt with regret that some of our learners are not wearing uniform as required by our policy. Mayfair Academy prides itself with the way our learners dress. Every learner is expected to dress a complete school uniform. Some learners are not wearing correct school socks, jerseys and jackets. Learners will be asked to remove them or returned home to dress properly. Parents must help us check the dressing at home before the child comes to school. It is so sad that I have come across a learner who did not wash his face. That tells us a lot about the parents. Please assist us on this.

School Report collection

School reports will be issued on Friday 01 October and Monday 04 October from 8am. Please note that only learners who are not owing and have paid October fees will be issued their school report. Parents ONLY can collect school reports.
